This is with regard to your requirement for 2022-007 Admission Constituent Relationship Management Software. Could you please help me with the following questions:

1. Whether companies from Outside Canada can apply for this? (like, from India or USA)

**Yes, companies from outside Canada can submit proposals for the new CRM.**

2. Whether we need to come over there for meetings?

**While some work may be done remotely, we would be looking for some on-campus presence.**

3. Can we perform the tasks (related to RFP) outside Canada? (like, from India or USA)

**This would depend on the tasks being performed. Unfortunately, this question is too vague to answer.**

4. Can we submit the proposals via email?

**No**
